

A photograph of a rocky, hilly landscape. The foreground and middle ground are dominated by large, dark grey and brown rocks of various sizes, some stacked together. Sparse vegetation, including small green shrubs and dry, brownish twigs, is scattered across the rocky terrain. The background shows a continuation of the rocky hills under a bright, slightly hazy sky. The overall scene is rugged and natural.

Judges 21:23 And the children of Benjamin did so, and took them wives, according to their number, of them that danced, whom they caught: and they went and returned unto their inheritance, and repaired the cities, and dwelt in them.
