

A close-up photograph of a garden. In the foreground, a large, vibrant purple iris flower is in full bloom, its petals showing subtle veining. To its right and slightly behind, a large yellow flower, possibly a hibiscus, is also in bloom. The background is filled with lush green foliage, including small, rounded leaves and stems. The lighting is bright, creating high contrast and highlighting the textures of the petals and leaves. The overall scene is a dense, colorful floral arrangement.
