

A close-up photograph of a pond or stream. The water is dark and still, reflecting the surrounding greenery. The surface is covered with a thick layer of bright green algae and small, dark brown twigs and leaves. Two dark feathers are floating on the water, one in the lower left and one in the lower right. The overall scene is a natural, somewhat overgrown aquatic environment.

**Judges 06:28 And when the men of
the city arose early in the morning,
behold, the altar of Baal was cast
down, and the grove was cut down
that was by it, and the second
bullock was offered upon the altar
that was built.**
