

A photograph of a tulip garden. In the foreground, there are several tulip plants with long, green, lance-shaped leaves. Some plants have bright red flowers in full bloom, while others have yellow buds or partially opened flowers. The ground is dark brown soil with some small rocks. The background shows more tulip plants, some with yellow flowers. The overall scene is a close-up of the tulips, with the text overlaid in the center.

2nd Peter 03:12 Looking for and  
hasting unto the coming of the day  
of God, wherein the heavens being  
on fire shall be dissolved, and the  
elements shall melt with fervent  
heat?
