

A vibrant photograph of a waterfall cascading over moss-covered rocks in a dense forest. The water is captured with a long exposure, creating a soft, ethereal effect. A large, weathered log lies in the foreground, partially submerged in the water. The scene is rich with green moss and foliage, creating a sense of a wild, untouched natural space.

2nd Peter 03:12 Looking for and  
hasting unto the coming of the day  
of God, wherein the heavens being  
on fire shall be dissolved, and the  
elements shall melt with fervent  
heat?
