

A long-exposure photograph of a waterfall cascading down a rocky ledge in a forest. The water is blurred, creating a soft, ethereal effect. The surrounding foliage is lush and green, with some brown leaves scattered on the rocks. The overall scene is serene and natural.

**Revelation 11:15 And the seventh
angel sounded; and there were
great voices in heaven, saying, The
kingdoms of this world are
become the kingdoms of our Lord,
and of his Christ; and he shall
reign for ever and ever.**
