

A photograph of a garden scene. In the foreground, several tulips are in various stages of bloom. One tulip on the left is partially open, showing a mix of red and yellow. Several other tulips are bright yellow, some fully open and some as buds. The tulips have long, green, lance-shaped leaves. In the background, there is a dense, blue-green shrub, possibly a hydrangea, and a bed of brown mulch. The overall lighting is soft, suggesting an overcast day or late afternoon. The text is overlaid in white, bold, sans-serif font, centered in the upper half of the image.
