

A close-up photograph of a large yellow chrysanthemum flower. The petals are numerous, tightly packed, and have a slightly ruffled appearance. A small, dark-colored insect, possibly a fly or a beetle, is perched on one of the petals in the center-left area. The background is dark and out of focus, showing hints of other flowers and green foliage.

**Ruth 02:14 And Boaz said unto her,
At mealtime come thou hither,
and eat of the bread, and dip thy
morsel in the vinegar. And she sat
beside the reapers: and he reached
her parched corn , and she did eat,
and was sufficed, and left.**
