

A close-up photograph of several green oak leaves and acorns. The leaves are vibrant green with prominent veins and characteristic lobed edges. Two acorns are visible, one in the center and one below it, both with their light-colored, scaly caps partially covering the smooth, brown, pointed nuts. The background is a soft-focus green, suggesting a dense forest or garden setting.

**1st Samuel 14:40 Then said he unto  
all Israel, Be ye on one side, and I  
and Jonathan my son will be on  
the other side. And the people said  
unto Saul, Do what seemeth good  
unto thee.**
