

A close-up photograph of a copper pitcher pouring water into a stream. The water is captured in mid-pour, creating a dynamic splash. The scene is surrounded by lush green foliage, including various leaves and stems, which are slightly out of focus, emphasizing the pitcher and the water. The lighting is natural, highlighting the metallic sheen of the copper and the clarity of the water.

2nd Samuel 18:03 But the people answered, Thou shalt not go forth: for if we flee away, they will not care for us; neither if half of us die, will they care for us: but now thou art worth ten thousand of us: therefore now it is better that thou succour us out of the city.
