

A photograph of a pond with numerous lily pads floating on the water. The lily pads are dark green with prominent veins and serrated edges. Some yellow pollen or debris is scattered on the surface of the pads. In the center of the image, a single red flower bud is visible, partially obscured by the lily pads. The background shows the dark water of the pond.

up from thence the bones of Saul
and the bones of Jonathan his son;
and they gathered the bones of
them that were hanged.
