

2nd Samuel 21:18 And it came to
pass after this, that there was
again a battle with the Philistines
at Gob: then Sibbechai the
Hushathite slew Saph, which was
of the sons of the giant.

A sunset scene over a body of water. The sun is low on the horizon, creating a bright, shimmering reflection on the water's surface. In the foreground, several birds are silhouetted against the dark water, standing on what appears to be a pier or a log. The sky is a mix of orange and dark blue, with the sun partially obscured by a mountain range in the distance.
