

A close-up photograph of a sunflower with vibrant orange and yellow petals and a dark brown center. The sunflower is in the foreground, slightly to the left. In the background, there are other sunflowers, some in bloom and some as green buds, set against a clear blue sky and a blurred green field. The overall scene is bright and sunny.

Genesis 04:21 And his brother's
name was Jubal: he was the father
of all such as handle the harp and
organ.
