

A close-up photograph of a Christmas tree branch. The branch is covered in green pine needles and is adorned with several large, round clusters of light blue hydrangea flowers. Interspersed among the blue flowers are smaller, delicate white holly berries. The background is dark, with a warm, glowing light source, possibly a candle or a small lamp, creating a soft, golden glow. The overall scene is festive and cozy.

Genesis 07:17 And the flood was forty days upon the earth; and the waters increased, and bare up the ark, and it was lift up above the earth.
