

Genesis 11:08 So the LORD
scattered them abroad from
thence upon the face of all the
earth: and they left off to build the
city.

A close-up photograph of a pine branch with green needles and small brown cones against a clear blue sky. The branch is the central focus, extending from the bottom left towards the top right. The needles are vibrant green and densely packed. Several small, brown, cone-like structures are visible, some in various stages of development. The background is a solid, clear blue sky, providing a high-contrast backdrop for the green and brown of the pine.
