

A scenic waterfall cascading over large, mossy rocks in a natural setting. The water flows from the top left, down a series of large, light-colored rocks, creating multiple small waterfalls. The rocks are covered in green moss and algae, particularly on the larger, flat surfaces. The background shows more rocks and some green foliage under a clear blue sky. The overall scene is bright and natural.

Genesis 17:26 In the selfsame day
was Abraham circumcised, and
Ishmael his son.
