

A close-up photograph of several vibrant pink poinsettia flowers. The flowers have large, pointed, slightly serrated bracts that are a deep pink color. The center of each flower shows small, bright yellow and orange stamens. The background is dark and out of focus, showing more green leaves and pink bracts.

**Genesis 20:12 And yet indeed she is  
my sister; she is the daughter of  
my father, but not the daughter of  
my mother; and she became my  
wife.**
