

A close-up photograph of a large cluster of purple hydrangea flowers. The flowers are in various stages of bloom, with some showing a mix of purple and white. The leaves are a vibrant green, with some showing signs of being eaten, such as small holes. The background is a soft-focus field of more hydrangeas, creating a lush, textured appearance.

Genesis 27:45 Until thy brother's
anger turn away from thee, and he
forget that which thou hast done
to him: then I will send, and fetch
thee from thence: why should I be
deprived also of you both in one
day?
