

A dramatic sky with a bright sun breaking through dark, golden clouds. The sun is positioned in the lower-left quadrant, casting a strong glow that illuminates the surrounding clouds, which are rendered in shades of orange, yellow, and dark brown. The overall atmosphere is one of intense light and contrast.

Genesis 27:45 Until thy brother's
anger turn away from thee, and he
forget that which thou hast done
to him: then I will send, and fetch
thee from thence: why should I be
deprived also of you both in one
day?
