

**Genesis 29:02 And he looked, and behold a well in the field, and, lo, there were three flocks of sheep lying by it; for out of that well they watered the flocks: and a great stone was upon the well's mouth.**

The background of the image is a lush green field with several purple flowers in bloom. The flowers have many thin, light purple petals and bright yellow centers. The lighting is soft, creating a natural and serene atmosphere.
