

A long-exposure photograph of a waterfall cascading over dark, jagged rocks. The water is blurred, creating a sense of motion and flow. The rocks are dark and textured, with some water splashing and creating white foam at the base of the falls. The overall scene is dramatic and natural.

**Genesis 31:16 For all the riches
which God hath taken from our
father, that is ours, and our
children's: now then, whatsoever
God hath said unto thee, do.**
