

A close-up photograph of a bouquet of roses. The roses are in various stages of bloom, with colors ranging from light pink to deep orange-red. The petals are layered and have a soft, velvety texture. Interspersed among the roses are several green fern fronds, which are finely divided and have a glossy sheen. The background is dark and out of focus, making the flowers stand out prominently.

**Genesis 31:16 For all the riches
which God hath taken from our
father, that is ours, and our
children's: now then, whatsoever
God hath said unto thee, do.**
