

A close-up photograph of a hydrangea flower cluster. The central part of the image shows a dense cluster of small, rounded blossoms in shades of purple and blue. In the foreground, several larger, fully opened purple flowers are visible, showing their intricate petal patterns and central stamens. The background is dark, making the colors of the flowers stand out. Overlaid on the image is white text in a serif font, which is the subject of the OCR task.

Genesis 31:46 And Jacob said unto
his brethren, Gather stones; and
they took stones, and made an
heap: and they did eat there upon
the heap.
