

A close-up photograph of a field of bright pink flowers, likely a species of Aster or similar daisy-like flower. The flowers have numerous long, narrow petals radiating from a dark brown, textured center. The background is filled with more of these flowers and green leaves, creating a dense and colorful scene. The lighting is soft, highlighting the delicate texture of the petals.

**Genesis 38:02 And Judah saw there
a daughter of a certain Canaanite,
whose name was Shuah; and he
took her, and went in unto her.**
