

A close-up, slightly high-angle shot of a vast field of golden wheat. The wheat stalks are densely packed and their heads are heavy with grain, creating a textured, undulating surface. The color is a warm, golden-brown, suggesting a late summer or autumn harvest. The background is a soft-focus expanse of the same field, extending to a clear, bright sky at the top edge of the frame.

firstborn, was wicked in the sight
of the LORD; and the LORD slew
him.
