

A close-up photograph of a garden scene. In the foreground, several bright pink cyclamen flowers are in bloom, their petals showing a delicate texture. The flowers are surrounded by dark green, heart-shaped leaves with prominent white variegation. The background is slightly blurred, showing more of the same foliage and a hint of a brown, textured surface, possibly a path or a wall. The overall lighting is soft and natural, highlighting the vibrant colors of the plants.

**Genesis 41:03 And, behold, seven  
other kine came up after them out  
of the river, ill favoured and  
leanfleshed; and stood by the  
other kine upon the brink of the  
river.**
