

A close-up photograph of a field of cosmos flowers. The foreground is dominated by several large, vibrant pink flowers with numerous petals and bright yellow centers. To the right, a few white flowers with yellow centers are visible. A weathered, light-brown wooden branch or stem runs vertically through the center of the image, partially obscuring the flowers. The background is a soft-focus green field of more flowers. The text is overlaid in white, bold, serif font, centered horizontally and vertically.
