

A close-up photograph of green leaves with a yellow butterfly perched on one of them. The butterfly is positioned on the right side of the frame, facing left. The leaves are vibrant green and show some signs of wear, such as small holes and discoloration. The background is softly blurred, showing more foliage and a hint of a purple flower.

Genesis 45:03 And Joseph said
unto his brethren, I am Joseph;
doth my father yet live? And his
brethren could not answer him;
for they were troubled at his
presence.
