

A vibrant orange butterfly with dark brown wings is perched on a green leaf. The butterfly's wings are spread, showing a bright orange color with dark brown markings. The leaf is green and has some small holes, suggesting it has been eaten. The background is a soft, out-of-focus green.

Exodus 29:34 And if ought of the
flesh of the consecrations, or of
the bread, remain unto the
morning, then thou shalt burn the
remainder with fire: it shall not be
eaten, because it is holy.
