

A close-up photograph of a cluster of white azalea flowers. The flowers are in various stages of bloom, with some fully open and others as buds. The petals are a bright, clean white, and the centers show hints of yellow and green. The leaves are dark green and glossy. The background is a soft, out-of-focus red, likely a planter or a wall.

**Exodus 29:43 And there I will meet
with the children of Israel, and the
tabernacle shall be sanctified by
my glory.**
