

A close-up photograph of a black and yellow butterfly, possibly a species of swallowtail, resting on a green plant. The butterfly's wings are spread, showing a pattern of yellow spots and bands on a black background. The background is filled with various green leaves and stems, some of which are slightly out of focus. The overall scene is natural and vibrant.

**Exodus 40:15 And thou shalt anoint them, as thou didst anoint their father, that they may minister unto me in the priest's office: for their anointing shall surely be an everlasting priesthood throughout their generations.**
