

A decorative garden stream flows through a bed of smooth, light-colored stones. The stream is bordered by lush green plants, including tall grasses and clusters of bright yellow flowers. The water is clear and blue, reflecting the surrounding greenery. The overall scene is bright and vibrant, suggesting a well-maintained garden or park setting.

**Numbers 18:11 And this is thine;  
the heave offering of their gift,  
with all the wave offerings of the  
children of Israel: I have given  
them unto thee, and to thy sons  
and to thy daughters with thee, by  
a statute for ever: every one that is  
clean in thy house shall eat of it.**
