

A close-up photograph of a bouquet of flowers. The main focus is on several large, light yellow and white roses with many layers of petals. Interspersed among the roses are smaller, delicate white flowers, likely baby's breath. The background is dark and out of focus, making the flowers stand out. The text is overlaid in white, serif font, centered on the image.

**Deutronomy 14:06 And every beast
that parteth the hoof, and cleaveth
the cleft into two claws, and
cheweth the cud among the beasts,
that ye shall eat.**
