

A close-up photograph of several green grass blades, likely from a lawn or field. The blades are long, narrow, and have a slightly wavy texture. They are set against a blurred background of more grass and some brown, dried leaves. The lighting is bright, creating a natural, outdoor feel.

**Joshua 19:23 This is the inheritance  
of the tribe of the children of  
Issachar according to their  
families, the cities and their  
villages.**
