

A close-up photograph of a cyclamen plant. The image features several bright pink flowers with five petals each, some fully open and some as buds. The leaves are green with prominent white variegation, creating a pattern of white spots and streaks. The background is slightly blurred, showing more of the plant's foliage.

Joshua 21:38 And out of the tribe of  
Gad, Ramoth in Gilead with her  
suburbs, to be a city of refuge for  
the slayer; and Mahanaim with her  
suburbs,
