

A close-up photograph of a large number of petunia flowers. The majority of the flowers are a vibrant, bright pink color with dark purple or black centers. There are also some purple flowers visible on the right side of the image. The flowers are densely packed and surrounded by lush green leaves and stems. The background is slightly out of focus, showing more of the same flowers and some white tags.

Joshua 21:39 Heshbon with her
suburbs, Jazer with her suburbs;
four cities in all.
