

A close-up photograph of a branch of a bleeding heart plant (Lamprolaminum). The branch is covered with numerous pink, heart-shaped flowers that hang downwards. Each flower has a white base with a yellow center. The background is a soft, out-of-focus green, suggesting foliage.

Judges 08:02 And he said unto
them, What have I done now in
comparison of you? Is not the
gleaning of the grapes of Ephraim
better than the vintage of Abiezer?
