

A scenic view of a forested mountain slope. The foreground shows a rocky, light-colored path or clearing, possibly a dry stream bed, leading up the hillside. The middle ground is filled with dense green coniferous trees, likely spruce or fir, growing on the slope. The background shows more of the forested mountain, with some rocky outcrops visible. The overall scene is bright and clear, suggesting a sunny day.

**Judges 14:09 And he took thereof
in his hands, and went on eating,
and came to his father and mother,
and he gave them, and they did eat:
but he told not them that he had
taken the honey out of the carcase
of the lion.**
