

A close-up photograph of a field of golden wheat stalks. The stalks are densely packed and have a warm, golden-brown hue, suggesting they are ripe. The background is slightly blurred, emphasizing the texture and detail of the wheat in the foreground. The lighting is bright, creating a high-contrast scene with some shadows and highlights on the individual grains and awns.

that came not up to Mizpeh to the
LORD? And, behold, there came
none to the camp from
Jabeshgilead to the assembly.**
