

A close-up photograph of a bouquet of white roses and baby's breath flowers. The roses are in various stages of bloom, with some showing the characteristic spiral pattern of the petals. The baby's breath flowers are small and delicate, interspersed among the larger roses. The background is softly blurred, focusing attention on the flowers in the foreground.

the handfuls of purpose for her,  
and leave them , that she may  
glean them , and rebuke her not.**
