

A close-up photograph of pink hydrangea flowers. The image shows several large, five-petaled flowers in various shades of pink and magenta, interspersed with clusters of smaller, unopened buds. The background is a soft-focus green, suggesting foliage. The text is overlaid in white, serif font, centered on the image.

Ruth 04:03 And he said unto the
kinsman, Naomi, that is come
again out of the country of Moab,
selleth a parcel of land, which was
