

A large, textured rock formation, possibly a natural outcrop or a large garden rock, is the central focus. The rock is light-colored with darker, mottled patches and shows signs of weathering. In the foreground, there is a dense, vibrant display of red flowers, likely petunias, with green foliage. The background shows more greenery and a hint of a building or structure. The overall scene is bright and sunny, with strong shadows cast by the rocks and flowers.

walked not in his ways, but turned
aside after lucre, and took bribes,
and perverted judgment.
