

A vibrant, multi-colored planet with a prominent ring system, similar to Saturn, is the central focus. The planet's surface is a mix of bright yellow, orange, and light blue, with darker blue and purple hues near the poles. The rings are a dark, brownish-grey color. The background is a deep, dark blue/black space with a few small, distant stars.

**1Sa 12:23 Moreover as for me, God
forbid that I should sin against the
LORD in ceasing to pray for you: but I
will teach you the good and the right
