

A photograph of a bird's nest. The nest is constructed from a dense, intricate web of dry, brown grasses and twigs. It is positioned in the center of the frame, nestled between two large, vibrant green palm fronds that run vertically. The lighting is natural, highlighting the textures of the nest and the smooth surface of the palm leaves.

1Sa 12:24 Only fear the LORD, and serve him in truth with all your heart; for consider how great things he hath done for you.
