

A photograph of a sandy beach with driftwood and sparse vegetation. The scene is captured from a high angle, showing a large piece of weathered, greyish-brown driftwood lying diagonally across the center. The sand is light-colored and textured, with several clumps of tall, thin, yellowish-brown grasses scattered around. In the foreground, there are some low-lying, reddish-brown plants. The overall lighting is bright, suggesting a sunny day.

1st Samuel 30:14 We made an  
invasion upon the south of the  
Cherethites, and upon the coast  
which belongeth to Judah, and  
upon the south of Caleb; and we  
burned Ziklag with fire.
