

A close-up photograph of a waterfall cascading over dark, jagged rocks. The water is white and frothy as it falls, creating a misty spray at the bottom. The rocks are dark grey and black, with patches of green moss and lichen. The background is a soft, out-of-focus green, suggesting a forest or a lush environment.

with that which the LORD hath
given us, who hath preserved us,
and delivered the company that
came against us into our hand.**
